HOW TO USE THIS PLANNER

Three simple layers — use the ones that serve you

1 • Dream

YEARLY GOALS PAGE

Write down what you want this year to look like. Big, small — all of it counts.

1

2 • Decide

ACTION PLAN + MONTHLY PAGES

Break each goal into steps, then park those steps on a month. No dates printed, so nothing expires.

2

3 • Do

WEEKLY PAGES + HABIT TRACKER

Plan the week around your Top 3 priorities, and let the tracker make your habits visible.

3

Tip: print only the pages you need this week — the planner is undated on purpose.
